Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Tuesday 21 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry, cold and cloudy on Tuesday.

Today:
Mostly cloudy and mainly dry. A few light showers in the north. Some sunshine breaking through across central and west Highland areas. Feeling rather cold.

Tonight:
A dry night for most, cloudy across southern and central parts, but clear spells developing in the north. Rain or showers over the Northern Isles.

Wednesday:
Some rain in the far north, otherwise a dry start for most. Rather cloudy, best of the sunshine in the northwest. Rain and hill snow spreads north in the afternoon.

Outlook for Thursday to Saturday:
Rain and hill snow for most on Thursday. Turning drier but colder in the north on Friday and Saturday. Some rain may continue to affect the south.
